

Distribution Job Opportunity FT Warehouse Product Selector

Department: Distribution Warehouses

Reports to: Warehouse Team Leader, Warehouse Supervisors

Application Process Apply online to www.wegmans.com/careers

Hours: Open Availability including weekends and holidays

Note to Candidate: This position may require you to work in any of the following warehouse facilities: Fresh Foods, Frozen Foods, Grocery, Meat or Produce.

A glimpse at the job:

At Wegmans, it takes the work of numerous individuals in a variety of locations and careers to make possible the incredible customer service we provide every day. As a Warehouse Product Selector, you will work hands-on with products, ensuring stores receive the items they've order and are able to meet their customers' needs. Each case you accurately select will influence and contribute to the big picture success of our stores as they ensure customer satisfaction.

I will add value by:

- Providing incredible service to the stores by accurately selecting products; understanding the critical role the job plays in the day-to-day operations of the stores and their ability to provide incredible service to our customers
 - Ensuring products on lines are being selected and moved to the correct locations, keeping pace with equipment and machinery to prevent a slowing in workflow while achieving the minimum requirements of cases/ day or cases/ hour
 - Reading store order and/ or using Vocollect software during product selection, accurately selecting products based on the information received to ensure stores are delivered the items they have ordered
 - Building pallets of correctly selected products to be delivered to stores; ensuring pallets are neat and organized to minimize the risk of damaging product and enable stores to unload their deliveries more efficiently
 - Properly handling all products, equipment and machinery in accordance with food safety and safety guidelines
 - Maintaining open lines of communication with co-workers and supervisors to ensure the warehouse is operating efficiently and are working to provide incredible service to the stores
-

What abilities I must bring to the table to be considered:

- Provide **incredible service** and gain the trust and respect of others by providing accurate information and responding to situations in a timely manner, listening carefully and acting with customers in mind
- Possess **organizational skills**, prioritizing requests and department activities while managing interruptions and attending to details to complete tasks within deadlines
- Ability to **multi-task** and react to a variety of situations at one time
- **Inform** others using various communication tools to provide meaningful, accurate information people need to make decisions
- Recognize and seek opportunities for **continuous learning** to gain new understandings, skills and knowledge
- Write and speak clearly, concisely and with tact in a variety of settings using **effective communication** skills; demonstrating empathy and respect for others at all times
- Possess **teamwork and diversity awareness** by listening to others' points of view and recognizing and appreciating differences
- Properly handle, prepare, transport and store products; ensuring **food and human safety** practices are strictly adhered to
- Utilize resources to educate self and others about product uses and characteristics, being sure to share acquired **product knowledge**

What will set me apart from other candidates:

- Experience working in a food distribution center
- Warehouse experience
- Experience operating a pallet jack

Work environment:

- Repetitive heavy lifting 35 – 65lbs, pushing, pulling, bending and twisting
- Warehouse temperatures range from -20° F (Frozen Foods Warehouse) to 105 ° F (Grocery Warehouse)
- Will be trained, certified and responsible for safely operating the following equipment, pallet jack

Other:

- Employment at Wegmans may be contingent upon applicants passing a physical, drug screen and/or criminal background check
-
